**MINUTES OF THE ELEVENTH MEETING
OF THE AD HOC COMMITTEE
TO SURVEY SCIENTIFIC AND TECHNICAL INTELLIGENCE
23 JULY 1952**

PRESENCE

Mr. Loftus E. Becker, Deputy Director/Intelligence
Central Intelligence Agency, Chairman
Colonel G. B. Coverdale, Chief of Collection
& Dissemination Division, C-2, Department
of the Army
Captain Kenneth C. Hunt, Head, Plans & Policy
Section, Office of Naval Intelligence,
Department of the Navy
Colonel James F. Pinkney, Chief, Planning & Policy
Group, Office of Deputy for Estimates,
Directorate of Intelligence, United States Air Force
Colonel Floyd L. Dunn, member of the Joint Intelligence
Group, The Joint Staff
Colonel S. Whipple, Jr., C-2

The third draft of the Committee Report, as further revised, was reviewed in detail and minor amendments incorporated. The C-2 representative, on behalf of Service Medical specialists, extended a cordial invitation to appropriate CIA personnel to become associate members of the JTIS Medical Subcommittee. The Chairman indicated his belief that round table discussion was essential in this field and noted that it might be accomplished in various ways. This constituted a major aspect of the remaining problem, namely, implementing the recommendations of the Ad Hoc Committee.

It was the sense of the meeting that the Report, as revised, was satisfactory to the Committee members. The Chairman undertook to circulate the Report, as revised, to the absent members and, provided they concurred, to reproduce it in final form for signature as soon after 30 July as possible.
